TOTALLY UNIQUE!
SAVE TIME, WORK & MONEY!

"ALL-U-NEED" replaces metal prep, etching primer, primer-surfacer and sealer.

Contains 86% solids and sands as easy as lacquer primer with no shrinkage. No re-coat time.

No sanding prior to recoating. No sanding after long periods of air dry. Sands the same after two years.

Waterproof and solvent proof. Self-etching to all ferrous, non-ferrous metals, fiberglass and wood.

Compatible with all paints and primers.

Available in Light Gray, Dark Gray, Tan, White and Red.

WARRANTIES

All-U-Need is EASY to apply!

1. Do not remove OEM finishes
2. Leave OEM finish shiny until each crater is sanded with dry 180 grit paper
3. Fill crater to proper level with All-U-Need
4. Final sand and paint
